## President's Notes

Hello Everyone,

I hope that you have or had, depending on when you received this newsletter, a great Easter. We have our first club sponsored event on April 13<sup>th</sup> at Pollard Ford. This celebrates the birthday of our great Mustang autos. I hope that you can make it for this sponsored event at Pollard. The last I heard there would be food trucks and such and hopefully I'll get more details soon.

I do believe that the club will get a discount from Buns Over Texas, as they've done the last few years.

Club operations are good with Dave and several others out and about getting things set-up for our car show. They are doing their best to keep costs at a minimum.

Please start collecting door prizes for the June car show so that we can know what we need to buy. If you know of any company will donate items, please ask them or let me or Dave know and we'll make a request.

I'll close with a positive note as Dennis is doing better, last report and we hope to see him soon. Remember the April 4<sup>th</sup> meeting at Red Zone. All of their health issues should be cleared!

-John -

## Meeting Minutes

Happy April,

Meeting notes for March 7th, 2024.

At approximately 5:15pm on March 7<sup>th</sup> I received a phone call from David Flett telling me that Red Zone Cafe was closed and that the meeting had been moved to J & M Barbecue on 34<sup>th</sup> street. The mad scramble to contact as many members as possible was successful, 17 members showed up to the meeting. Helpful in this effort was Scott Bateman, who parked his car at the front of the parking lot so that it could be seen from the road. Thanks Scott, I for one, couldn't remember exactly where the place was until I saw your car. We even had two new members, Steven Zupancic and Brooke Rushing. Thank you for joining our club, sometimes our meetings are even more organized.

David Flett called the meeting to order at 7:00 pm. The Pledge of Allegiance to the Flag was recited and observed. Dave led us a prayer before business began. Business began with printed copies of the Lubbock Mustang Club Roster, passed out to those present at the meeting.

The next order of business was the treasurer's report. As of March 7<sup>th</sup>, there was \$2,551.31 in the kitty. Dues continue to come in and our sponsors have pledged to support us again this year so things aren't as bad as they may seem.

Speaking of major sponsors, Pollard Ford will be the location of our Mustang Birthday Party celebration and car show. The show will be on Saturday, April 13<sup>th</sup>. They clear out a great spot for us, out by the south loop service road! A National Mustang Day event is scheduled for Wednesday, April 17<sup>th</sup> at Gene Messer Ford.

Preparation for our big show continues. Debbie and Art have the t-shirt design on a thumb drive, ready for the t-shirt print shop of our choice. They also have the show fliers ready to go, I'm sure some have already been passed around at the Cars and Coffee events. The intake and exhaust have been taken care of as well, River Smith's will cater the food, porta-pots have been procured.

The MCA has been hard at work preparing for the 60<sup>th</sup> anniversary party show in Birmingham. Our MCA representative, Dennis Quattlebaum is still on the mend but doing better. We ask for continued prayers that he'll make a full recovery!

Our deepest condolences with Sprague concerning the passing of his mother. She had an amazing long life and as a Christian woman we know she now rests in the arms of her savior. The club voted unanimously to send a \$100 donation to her home church in Florida.

Please send photos of your car to Tim Carmichael, our website administrator. Each month a member's car is featured on the website. Your car cannot be featured if Tim has no photo of it! Tim's club email address can be found on the website. Send the photo as an attachment with some brief description of your car and your name.

Tommy gave the March Things-To-Do report. The report was rather extensive this month.

Dave will be headed to Birmingham on April 3<sup>rd</sup>, which means he won't make our April 4<sup>th</sup> meeting. Tommy Persons will have the honor of leading our next meeting.

This month's car story was given by David Flett. Unfortunately I did not hear the name of this person, but later he became an auditor for the Ford Motor Company. The story begins in April of 1964. The Ford Mustang was just introduced and the local dealership was running a raffle, one lucky person would win a new Mustang! The future Ford Motor Company auditor was the winner, he was so excited. The trouble was that he was only 10 years old, the winner had to be 18 years old to receive the car. Well, he received a battery powered scale model Mustang. Remote control was not around yet in the middle 60's so this replica would simply run across the floor taking a left or right turn according to it's "programming" shall we say. I'm sure this young buck was a little disappointed in 1964 but that little Mustang is a prized collectible nowadays!

The meeting was adjourned at 7:30 pm. It was another busy meeting this month. Keep the shiny side up and the rubber side down. We'll see y'all next month. The meeting will be at 7:00 pm, April 4<sup>th</sup>, not sure where it will be.

-Todd-
