President's Notes

Hello and Happy Valentine's Day!

As I take a break from weather, it's Jan. 24th and we had 7 inches of snow today. So, I'm warning folks about black ice in the area overnight into Wednesday. I hope that it gets much warmer over the next few weeks and month.

I'm ready for some mild weather to enjoy the outdoors and get ready for spring. Speaking of spring, the club and Pollard Ford have selected April 22nd for the annual birthday party, again at Pollard Ford this year.

While we're on the topic of shows for the year, June 10th, 2nd Saturday in the month, will be our annual show.

Please put those items on your calendar for 2023!

A quick look back on 2022, we had some good events and a few bad 'events' including the bank fraud and loss of some great members.

I do want to mention that we lost long time member John Blake and will miss him.

We also had a fraud issue with our account and FBT, but culprit caught and will be prosecuted.

We did have some good in 2022 with a successful birthday party and car show, plus several of our sponsors have already signed-on for 2023.

Thanks again to Dave Hunt and Michael Zink for their years of service to the club.

We have Linda Persons and Tim Carmichael that are moving into treasurer and historian/web/Facebook officers.

Let's make this another great year and attend meetings, Coffee/Cars and events so that we can bring in new members and new friends.

Thanks everyone for your continued support of me while I 'patiently' wait for the chance to return to indoor meetings.

John

Meeting Minutes

Meeting notes for January 5th, 2023.

David Flett called the meeting to order at 7:00 p.m. The Pledge of Allegiance to the Flag was recited and observed. Twenty members were in attendance. We welcomed a new member into the club! Steven Simpson and his wife are new members. Steven has a 2003 GT and has agreed to give us next month's car story. Welcome to the club Steven!

The first order of business was the treasurer's report. As of January 5th, and after our Christmas Party, there was \$2,870.81 in the kitty. David Flett delivered the donated toys to Comet Cleaners on December 19th. Thank you to all club members for great support of our toy drive.

Dues for 2023 are being collected. Dues are \$30 for the year, \$20 for new members. Please contact Linda Persons about getting your dues paid. NAPA and Birdsong Automotive have committed their major sponsorships for the coming year, Thank you!

David Hunt stepped down from the position of Club Historian and Webpage Manager. Tim Carmichael has stepped up into this position. Thank you, Tim! I believe you'll do a great job!

Artwork for this year's car show t-shirts and show flyers was discussed at this meeting. There will be more discussion on this topic at the next meeting so bring your ideas next month! Planning for the 2023 Lubbock Mustang Club Car Show has begun. The show is scheduled to be on Saturday, June 10th, 2023.

The 2023 Car Show committee has been formed and is as follows:

Judges	Scott Bateman
Food and Other Necessities	Debra Woolever
Trophies	David Flett/Neil Thompson
Car Show Venue	John Robison
Music	Todd Carr
Shirts and Flyers	Michael Zink

Dennis gave the report from Mustang Club of America. Mustang Club of America (MCA) is looking for more articles and photos about regional club car shows. Of particular interest to them is "National Mustang Day" on April 17th. Some discussion took place concerning a "National Mustang Day" LMC car show at Pollard Ford. Possible dates for this show are Saturday, April 15th or Saturday, April 22nd. Cling decals are available from MCA to promote the event. The cling decals are going for \$1.50 each. It was decided that the club will order roughly 75 of these cling decals. One cling decal will be supplied to each member as their dues are paid. The cling decals are designed to be displayed on a window, windshield. We can report our show to the National Mustang Museum and maybe we'll get an article in the MCA publication "Mustang Times".

Don't forget the VFW fish fry. The event occurs on the second Friday evening of each month. Attendees are asked to meet at the north side of the Kohl's parking lot at 98th and Indiana at about 5:45 pm, or so, that's 17:45 for active military personnel. Look for the big "Kohl's" sign on 98th, that's where the gang will be waiting. The next VFW fish fry will be on Friday, February 10th.

I believe the next "Meet and Feed" or "Mustang Feed Bag" at Buns Over Texas, will occur on Thursday, February 16th, 2023. It is scheduled for 6:00 pm. Tommy Persons suggested that if y'all would like to cruise to Buns Over Texas, meet up at the north side of the Kohl's parking lot at 98th and Indiana at about 5:45 pm, or so, again, that's 17:45 for active military personnel. Then cruise up to Buns Over Texas. We'll aim for parking on the south side of the restaurant as many of the other businesses in that immediate area will be closed for the evening by then.

I encourage y'all to attend the Gene Messer "Cars and Coffee" event. It happens every 3rd Saturday morning from 8:00 to 10:00 am. The location is Gene Messer Ford/Kia, 6006 19th street.

The meeting was adjourned at 7:40 pm. It was another busy meeting this month. Keep the shiny side up and the rubber side down. We'll see y'all next month, on February 2nd, 7:00 pm at RedZone Cafe!

Wayland Flying Queens Museum grand opening set for Feb. 18

PLAINVIEW – Imagine a Beechcraft Bonanza airplane flying above as you walk onto a shiny, wooden basketball floor, where you are surrounded by historic championship memorabilia, basketball shoes, travel uniforms, and jerseys that bring collegiate sports legends to life.

Imagination meets reality at 10:30 a.m., Saturday, Feb. 18, at the grand opening of the Flying Queens Museum. Officials representing Wayland Baptist University and Hutcherson Flying Queens Foundation, Inc., are scheduled to formally dedicate the museum. Many former Flying Queens are expected to be present for the ceremony.

Constructed inside Mabee Regional Heritage Center, the Flying Queens Museum tells the story of how Wayland's women's basketball program changed the course of collegiate game, including winning 131 consecutive games — the record for both men's and women's collegiate basketball. The museum highlights the international reach and the remarkable role the Flying Queens have had in transforming women's basketball. Those attending the grand opening ceremonies will see one of those famous Beechcraft Bonanza planes above and feel the wooden floor below as they take in much more than the incredible array of Flying Queens commemorative items. Interactive screens highlight achievements, present every player in the history of the Flying Queens and provide footage from select games.

“It'll be a good mix of artifacts recounting the events during every decade, like the international games and the USA team, and with the screens we have more opportunities to tell the stories further through oral histories, photos and visual histories,” said Director of Museums Kaylyn Bean. “All the digital content was created and sourced by the Foundation, and they've been able to bring it all together for this exciting moment.”

The centerpiece of the museum is a display offering tribute to the 2019 enshrinement of the Flying Queen into the Naismith Memorial Basketball Hall of Fame in Springfield, Mass., the highest honor in basketball, but there is so much more to see.
