President's Notes

Hello Fellow Mustangers,

It is JUNE and 3 important events this month and a great opportunity to showcase your Mustangs.

First is our annual show at Wayland Baptist University on JUNE 10th. We need your attendance and please bring a door prize to either the meeting on June 1st or the show on the 10th. Try to pick something that you'd like to win but keep in a range of \$10-15 if possible.

We will need volunteers for registration, parking and general help at the show.

The next event will be to attend is a fun mid-day event at Comfort Keepers on University. This is Wednesday June 28th from 11am to 1 pm. Location is on south University near the Target store. They would like us and some of the Caprock crew to take their senior members on a short drive in your Mustang. A great thing to do and they'll feed you a burger.

Another Important event, Brad Birdsong, a club sponsor has a brand-new Oil Change & Lube just east of Birdsong Automotive and wants us to have plenty of Mustangs on display. The date is June 24th from 10 am to 2 pm. Free lunch of burgers and hot dogs. This is Very Important since Brad is a new sponsor and has supported us in the past and again last year.

Please make it to the meeting on June 1st. and hope to see you at: the Wayland show... June 24th...and June 28th.

Meeting Minutes

Meeting notes for May 4th, 2023.

David Flett called the meeting to order at 7:00 p.m. The Pledge of Allegiance to the Flag was recited and observed. Twenty-three members were in attendance.

The first order of business was the treasurer's report. As of May 4th, there was \$2,669.41 in the kitty. Dues are coming in and that has been very helpful, Thank you!

T-shirts for this year's show have been ordered. A sheet was sent around at the April meeting. Additional shirts were asked for during the May meeting. If you ordered a T-shirt, bring your \$20.00 with you to the June meeting. Shirts may be available at the June meeting but will definitely be available at the show! The shirts are gray this year with another cool design. If you have a '69 Stang, you'll like this shirt!

Planning for our annual show is underway. Food trucks and porta-pots are scheduled to be there, judges are ready to go, trophies have been bought, rain insurance has been purchased and the Charlie Ricks trophy is under construction. The show is scheduled to be on Saturday, June 10th, 2023.

Prices for registration at the show are as follows:

One car, available for judging	\$30.00
Two or more cars available for judging	\$20.00 per car.
Display only cars	\$10.00 per car.

Please bring Door Prizes to the June meeting! We can get that started by contacting any local businesses you work with to see if they would like to donate a prize. Of course, you can always put a little something in for a Door Prize as well, just make sure it's roughly \$15 in value or less.

Dennis was not with us to give the report from Mustang Club of America. He was participating in The Great American Pony Drive. The drive was in Florida this year. We

certainly hope the drive went well and I'm sure we'll have a great update on how things went at the June meeting.

This month's car story came from Tim Carmichael. It sounds like we can look forward to some other great car stories from Tim, but this month the story was about 2 Mustangs he found and helped get them back on the road for some friends. The first was a 1967 GT500 he found in 1975. Tim's friend was able to get the car for \$1,700! That was 1975, that ain't gonna happen nowadays! The car had no engine or transmission. Tim and his friend fixed that problem. They put it back on the road and his friend enjoyed that car for several years. Later that year Tim found another cool Stang. This one was a 1970 Boss 302. He and another friend purchased that car for \$300! I imagine it needed some serious work. They fixed it up and put it back on the road. 1975 must have been the year to pick a muscle car, the fad folks were unloading them during the embargo. Real car guys won out though!

We had a new member at the meeting, please help me welcome Mark Foss to the club. Mark has 2010 GT with approximately 48,000 miles on it. Another cool car we hope to see at our show!

Don't forget the VFW fish fry. The event occurs on the second Friday evening of each month. Attendees are now asked to meet at the north side of the Kohls parking lot at 98th and Indiana at about 5:15 pm, or so. They plan to leave at 5:30 pm, that's 17:30 for active military personnel. Look for the big "Kohl's" sign on 98th, that's where the gang will be waiting. The next VFW fish fry will be on Friday, June 9th.

I believe the next "Meet and Feed" or "Mustang Feed Bag" at Buns Over Texas, will occur on Thursday, June 15th, 2023. It is scheduled for 6:00 pm.

The meeting was adjourned at 7:45 pm. It was another busy meeting this month. Keep the shiny side up and the rubber side down. We'll see y'all next month with your door prize, on June 1st, 7:00 pm at RedZone Cafe!
