## President's Notes

Hello Fellow Mustangers,

Hope that you've had a great month. Time to look ahead since our annual show is little over a MONTH away. Big thanks to Dave, Tommy and officers working so hard on the show this year. Please spread the word and if you can, we have plenty of flyers to put out. Anywhere that you can put one, please ask for me or Dave and we will get you some flyers. The more entries the better for the club and show overall.

When you visit another show or event, take some with you and place on tables, in cars, etc.

This is the time to purchase (before tariffs as they say) your door prizes. We will likely receive some from Pollard, NAPA and Brad Birdsong automotive, but as you know the more door prizes the happier all of the entrants will be at the show.

Also, please get REGISTERED, that will make it much easier on the registration desk at the show.

I don't have details on food truck but we'll let you know and there will be plenty of water and hopefully a desert truck as well.

We DO NEED volunteers, please let Dave know at the meeting or call, text and email him or me so that we'll know how you can help. Please do it soon so that Dave doesn't have so much to do for and at the show.

Thanks everyone that is or will be helping with year's show. I'm hoping it's dry one, but this year may be our stormiest in many years over the area.

Hope to see you at area shows and at our show.

May's meeting is May 1<sup>st</sup> at Red Zone, please be there.

-John -

## Meeting Minutes –

Happy May,

Meeting notes for April 3rd, 2025.

David Flett called the meeting to order at 7:00 pm. The Pledge of Allegiance to the Flag was recited and observed. Sprague Fleming led our prayer, thank you Sprague! Twenty-one members were in attendance. April birthdays and anniversaries were announced.

The first order of business was the treasurer's report. As of April 3rd, there was \$3,553.69 In the kitty. The new flyers for our show this year look great. The shop that printed them was not impressed with the quality and gave us a discount. Several were handed out during the meeting and are likely to be seen in businesses around town.

Six members in 4 mustangs made it to Haskell on March 29<sup>th</sup> to visit the Fort Sam Museum. The owner is a Mustang fan and Mustangs from 6 generations are there. In addition are several rare military vehicles, motorcycles and a vast collection of kids pedal cars. The museum runs largely on donations and a motion was brought forward for the club to donate \$50 to the museum. The motion passed unanimously. Discussion of this trip sprouted discussion about other possible trips to Bill's Backyard Museum in Amarillo or simply another trip to Haskell. Would anyone like to go down to Woody's baseball and car museum in Cross Plains again this year? If you're interested, tell us at the next meeting. We would probably get a trip ready for early October.

Several Lubbock Mustang Club members brought their cars out to the National Mustang Day cruise-in sponsored by NAPA at Quaker and 50<sup>th</sup> street on Thursday, April 17<sup>th</sup>. We had 20 cars at the Mustang Birthday Party sponsored by Pollard Ford on Saturday, April 19<sup>th</sup>.

Speaking of shows, our annual show is still scheduled for June 7<sup>th</sup>. Special thanks to Debbie and Art Woolever for getting the food and "other necessities" procured. Special thanks to Scott Bateman for getting our judges again this year. Our judges are once again from the Roadrunner Classic Car Club in Hobbs, NM.

John Flett is our new representative to the Mustang Club of America. Dennis Quattlebaum has turned the reins over to John but Dennis will still be an active member of our club, such was evident as he joined us in the cold wind at the Mustang Birthday Party show.

While digging through the club utility trailer Dave found several old trophies from shows passed. One idea was to donate them to Goodwill. Another idea was to re-purpose them as Lubbock Mustang Club Choice Award trophies to be given away at other club shows. It's worth a thought, only several would need to be made. Give us your thoughts at the next meeting!

Tommy gave the June Things-To-Do report. The report was rather extensive again this month, as it will be rather lengthy for next month as well.

This month's car stories came from Sprague Fleming and Todd Carr. One afternoon Sprague lent his 1964 Falcon to his mother. She drove it into town for something, when she stopped at a red light the two guys next to her gunned their engine. When the light turned green she took off and left them behind. Mama liked that car.

When I was a kid I would often cruise the neighborhood with my buddies on our bicycles. We would occasionally visit the McCalisters down the street, the cool folks with cool cars. We were all roughly 12 years old and the McAlister's youngest daughter, Roni, was 15. One summer evening we found her watering some flowers she had planted out by the mailbox. We were just old enough to notice certain things and Roni held our attention, long blonde hair, Cincinnati Reds T-shirt and cut-off denim shorts. As she was watering her flowers a beat-up Chevy Chevette came quickly down the street. The muffler was bad and it sounded like an angry hive of bees. The driver looked to be about high school age and buzzed by us, shifting gears. The expression Roni gave to this situation was priceless, a look of disapproval and bewilderment. She then turned the nozzle off on the garden hose, set it down on the ground, held up her index finger, then ran into the house. Shortly later she ran out of the house followed by her older brother who was yelling:

"Roni, give me back my keys".

She ran to her brother's car and got in. Her brother's car was a red and white 1978 Mustang Cobra II. It was not stock, dad and older brother had done some work to it. The 302 in this one was not the 136 horsepower it came with from the factory! Roni rolled down the window and started the car, the side pipes roared to life. To the dismay of her brother, she revved it a few times, it sounded great! With the car now at an idle she looked at us and said: "That's what a real car sounds like, not that shitbox Chevette!"

We laughed while her older brother shook his head and rolled his eyes. She shut the car down, rolled up the window and handed the keys back to her brother who was now laughing with us.

The meeting was adjourned at 8:00 pm. It was another busy meeting this month. Our next meeting will be on Thursday, May 1<sup>st</sup>. As always, keep the shiny side up and the rubber side down. We'll see y'all next month.

-Todd-
