President's Notes

Happy Thanksgiving!

Well, we are about to wrap-up another year and car events will be declining along with our temperatures. However, I know that Tommy/Linda will keep us notified of any and all car meeting/travel opportunities. One event that will occur November 4th is a short Rodeo Days parade, from 98th street to Cooks garage.

The next 'big' event for the club will be the Christmas party on Dec. 16th at Hillcrest country club.

The meals will be \$30 per person,

If you plan on attending, Ronnie asks that you please respond by Dec. 1st to

<http://www.lubbockmustangclub.com>.

Remember to bring a 'door prize', value around \$10-15 for the 'Horse' game. Make it something that you or your spouse would like to win.

In addition, the club will collect toys for the 'Christmas is for Kids campaign'. We have done this for many years and would like to have a bunch of gifts, for young ones from birth to 16. These gifts will go to many foster families for the foster kids.

We'll also vote on officers, and it would be 'great' if we could get some new ones in our leadership. Please consider serving, even if it's just a year to keep 'new' ideas and events going in our club.

Reminder, November meeting is 2nd and there is NOT a meeting at Red Zone in December, just the one at the Christmas party.

I hope all of you have an enjoyable Thanksgiving and safe travels.

-John -

Meeting Minutes

Meeting notes for October 5th, 2023.

David Flett called the meeting to order at 7:00 p.m. The Pledge of Allegiance to the Flag was recited and observed. David Flett led us in a club prayer. Fifteen members were in attendance.

The first order of business was the treasurer's report. As of October 5th, there was \$4,099.72 in the kitty.

Tim Carmicheal still needs photos of member mustangs for the car of the month segment of the website. You will find Tim's club email address on the website, send him a photo of your car along with a short caption.

Involvement in the "Big Wheels Deliver Meals on Wheels" event went well. Thanks to the 7 members who participated.

The road trip to Woody's classic car, WASP and baseball museum was well attended and enjoyed by the 14 members who took the trip.

The S.P.I.R.I.T. riding team has scheduled a parade to the rodeo at Cook's Garage on November 4th. (Sign up deadline is October 28th) They have asked us to be participants in their parade. We now have 12 magnetic signs for the club that can be used for such events.

Dennis gave the report from Mustang Club of America. Elections for MCA Regional Directors are complete. There were many qualified folks. Next year is the 60th anniversary of the Ford Mustang. The MCA 60th anniversary show will be in Birmingham, Alabama. The Great American Pony Drive will leave from Birmingham and travel to Mustang, Oklahoma. From there it will continue northeast along the route of old U.S. 66 through Missouri and Illinois.

A new member came to our meeting. Ethan Landry came with his 1966 Mustang coupe. Several of us went out to the parking lot to admire his coupe. A very sharp car!!

Scott Bateman supplied this month's car story in which we were taken through the experience of buying a car that was sought for several years. A friend of Scott bought a 2009 Vista Blue Mustang GT for his daughter as she attended Texas Tech. Being a 2009 it is a 45th anniversary car. Scott told his friend that if he would ever want to sell the car, Scott would buy it. Scott saw the car several times after that meeting and it always looked great. Finally, the day came when Scott got a phone call that the car was available for sale. The seller said that there were a few scratches in the paint and that he would get those fixed upon Scott's agreement to buy the car. Long story short, some of those scratches were addressed but some remained. The interior of the car needs attention as well. From 50 feet away it looks great, the vista blue looks great on that year Mustang. Upon closer inspection the devilish details emerge. Such is the case for so many cars. Scott will keep the car, fix it up to his "tolerance" and use it for a daily driver. That said, it makes a sharp daily driver, "the beater" as Scott would say. It's not a show car but Scott's beater would be someone else's best car.

The meeting was adjourned at 7:45 pm. It was another busy meeting this month. Keep the shiny side up and the rubber side down. We'll see y'all next month, November 2nd!
