President's Notes

Hello Everyone,

Seems like this summer was a short one, but a very hot one until the last few weeks.

Now September is here and there will be some opportunities to attend festivals, events and such.

We have two events to note:

Jimmy Dean Days in Plainview on Sept. 3/4th that's Labor Day weekend. Details via email and at the club meeting on Sept. 1st. They have been a great sponsor and support of our club so please try to make the event.

I know it's also Coffee/Cars day but this is a sponsor and you may be able to go to Plainview after a visit at C/C.

The next event is the annual Meals on Wheels 'Big Wheels' deliver meals on Friday Sept. 23rd. This is a fun event where you may get to carry a media, city government, business leader and help to deliver meals in Lubbock.

You'll pick up meals at a Sonic, deliver, then get to have a free Sonic burger/fries/drink at the MOW office on 34th. Or, you can take lunch with you if need to get to work.

It usually takes about from 10:30-11:30 to deliver meals and then you can eat and visit and check all the classic and new cars at the LOW location.

Now a quick update on the bank fraud event that hit our club account. Police are investigating and hoping to locate the suspect, however, since it's an active investigation officers CAN NOT comment other than our account was 'cleaned out' but we have fraud protection and First Bank and Trust has been great working with us. We have new account and additional safeguards/alerts/etc so this hopefully doesn't happen again.

Dave Flett has done an outstanding job of working with the bank and LPD. He also found a convertible Mustang!

Big thanks to Ed Cooper. He took it upon himself to get us 'display flags' for our various events and such.

He even purchased them when we were 'broke' and will be reimbursed by the club.

Please ATTEND the meetings. We need YOUR input and suggestions and we NEED some more volunteers for officers for the coming year.

Next Meeting is on Sept. FIRST at Red Zone.

Meeting Minutes

Meeting notes for August 4th, 2022.

David Flett called the meeting to order at 7:00 p.m. The Pledge of Allegiance to the Flag was recited and observed. Sixteen members were in attendance.

The first order of business was the treasurer's report. As of August 4th, there was \$6,019.22 in the kitty.

Ed Cooper presented information on feather flags at the July meeting. We put the purchase of feather flags to a vote at the August meeting and the vote passed quite well. These flags will be used at all our car shows, such as the Mustang Birthday Party show and of course, our annual show. The flags to be ordered will be approximately 12 feet tall with the words "Car Show" and our club logo printed on each side. They will be a great advertisement of our shows.

The club received a great thank you letter from the UMC Cancer Center nurses for the money raised at the Birthday Party show at Pollard Ford back in April. Which reminds me that work on maintaining Pollard Ford as a sponsor is in progress.

Other business included discussion over a trip to Woody's Auto and Baseball Museum in Cross Plains. We are looking to take a trip there in late September or October. I drove by the museum a few weeks ago, it looks like a fun place.

A vote was taken concerning the date of our annual show next year. Set the date, Saturday June 10th, 2023!

Dennis gave the report from Mustang Club of America. There have been great turnouts at the MCA shows this year. The Mustang II is picking up in popularity, evidence of that was in this month's Mustang Times magazine. If you have a Mustang II, looks like it's time to fix it up!

Don't forget the VFW fish fry. The event occurs on the second Friday evening of each month. Attendees are asked to meet at the north side of the Kohl's parking lot at 98th and Indiana at about 5:45 pm, or so. Look for the big "Kohls" sign on 98th, that's where the gang will be waiting. The next VFW fish fry will be on Friday, September 9th.

I believe the next “Meet and Feed” or “Mustang Feed Bag” at Buns Over Texas, will occur on Thursday, September 15th, 2022. It is scheduled for 6:00 pm. Tommy Persons suggested that if y’all would like to cruise to Buns Over Texas, meet up at the north side of the Kohls parking lot at 98th and Indiana at about 5:45 pm, or so. Then cruise up to Buns Over Texas. We’ll aim for parking on the south side of the restaurant as many of the other businesses in that immediate area will be closed for the evening by then.

I encourage y’all to come to the Gene Messer “Cars and Coffee” event. It happens every 3rd Saturday morning from 8:00 to 10:00 am. The location is Gene Messer Ford/Kia, 6006 19th street.

The “Car Story” this month was from Blaine and Camryn Oden, concerning their 1964 ½ Mustang. The car is red with black racing strips, BF Goodrich Radial T/A tires and Pony interior. As I understood it, this car was Neil Thompson’s first car! After years of driving, the car underwent a restoration and was sold. Unfortunately, the buyers did not maintain the car, for several years it sat under a lean-to, rarely driven, and exposed to the weather. The car was finally sold again and bought by Blaine and Camryn. It needed restoration. Here’s where Neil comes back into the story as he led restoration on the car once again. The second restoration has yielded a beautiful example of a first-generation Mustang! Check out this car at the next show, it requires viewing! Be sure to ask Blain, Camryn and Neil about the work done on this car, they can give you the details I don’t have time for in this write-up.

The meeting was adjourned at 7:45 pm. It was another busy meeting this month. Keep the shiny side up and the rubber side down. We’ll see y’all next month!
