President's Notes

Hello Fellow Mustangers!

Well, it looks like summer is winding down, although temperatures may remain higher than normal into September.

Please keep our fellow club members, Kay and Ed as Kay keeps fighting cancer and Hattie and Sprague as they offer guidance and help to his mother in Florida.

I'll not list all the events for the month, Tommy and Ed do a great job getting the information out to everyone. I do want to mention the Meals On Wheels event late in the month. It's a good way to do some service for seniors and MOW and meet some really nice folks. Many of their clients rarely get out to see anything but their living room and TV.

We are trying and need your help to add new advertisers. Hopefully, thanks to Dave and everyone that came to the Tractor Supply opening, we will get another sponsor. It may not be a major one, but we need to add more.

Thanks to Dave and Tommy and others that brought multiple cars to Tractor supply.

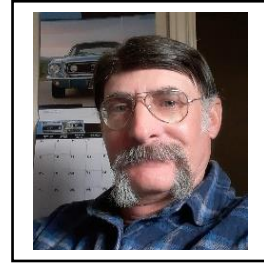

When you attend other events, Coffee/Cars, etc., please wear a club t-shirt, polo or jacket so we are more visible at the event.

If you know of events, please pass the info the Tommy and/or Ed so that they can send out to all of you.

Remember the club meeting at Red Zone on September 7th, always on the first Thursday each month.

-John -

Meeting Minutes

Meeting notes for August 3rd, 2023.

David Flett called the meeting to order at 7:00 pm. The Pledge of Allegiance to the Flag was recited and observed. Sprague Fleming led a prayer, thank you Sprague! He asked the club if a prayer before each meeting will work, that passed unanimously. Fifteen members were in attendance.

The first order of business was the treasurer's report. As of August 3rd, there was \$4,641.10 in the kitty. Two IRS forms are still needed for our non-profit and tax exempt status, \$450.00 will be needed for processing. The club will now be a 501c7 non-profit, tax exempt organization.

Tim Carmichael is our new website administrator. Each month a member's car is featured on the website. Photos are not available for several members. To have your car featured on the website, you need to send a photo to Tim. Tim still needs more photos of member's cars. Please send the photo to Tim's email. Tim's club email address can be found on the website. Send the photo as an attachment with some brief description of your car and your name.

Dave mentioned the possibility of a club convoy road trip to the WASP museum and Woody's Museum in Cross Plains, Texas. Possible dates are September 30th or October 7th.

Dave also mentioned participation in the parade for Cooke's Rodeo Days on November 4th. Mark Foss had 12 magnets made for the club to be used in parades. Thanks to Mark for doing this! Interest has still been expressed about entering the 4th on Broadway parade next July.

Dave will be up in Canada next month and will not be at next month's meeting. Tommy Persons agreed to lead next month's meeting.

Tommy gave the August Things-To-Do report. The report was rather extensive this month.

Dennis Quattlebaum was not present to give the Mustang Club of America Report.

This month's car story was given by Gordon Jones. The story starts during Gordon's freshman year at University of Georgia and his sighting of a 1964 ½ Mustang. Gordon said, "I want one of those!" Years went by, college, Army duty, marriage, kids, and finally a friend at Reese AFB was being transferred and had a yellow 1973 Mustang coupe for sale. Gordon bought that car. Gordon and the kids shared use of the car. It survived one accident but was later totaled by a drunk driver. It was a sad day watching it being towed away. Gordon started his hunt for another Mustang, he tried to restore a 1965 but needed the money for college for the kids, the car was sold. He found a few Fox Body Mustangs, and finally found a 1995 Cobra. This car was in great shape but some money had to be put into it as well. Growing weary of spending money on the car, he sold it to Lubbock Mustang Club member Brian Worman. At this time he found a 1965 Falcon Ranchero. "I can work on a '65 Ranchero myself". After several years, Brian felt that he was neglecting the car and sold it back to Gordon. With that Gordon sold the Ranchero. He believes that the 1995 Cobra will stay in his possession for years to come, despite the fact that like all cars, it'll take more money to keep it on the road.

The meeting was adjourned at 7:50 pm. It was another busy meeting this month. Keep the shiny side up and the rubber side down. We'll see y'all next month.
