President's Notes

Happy Valentine's Day (ladies),

We made it through the first of the new year and hopefully this month will bring some more mild weather, even though Prairie Dog Pete says more winter on the way.

As for the month ahead, not much going on but we do have some events listed for April and June that are official Mustang activities.

As of now, we have the annual birthday party show set for April 14th. There is another event that day so we'll discuss it at our February meeting. We have been requested to be involved in a 'fun' day at the sight of the coming Aquarium.

April will also include the annual Blue Ribbon rally and some other show/events as well.

Now for June, the car show has been set and approved by Wayland University for June 9th (2nd weekend of that month). Mark that on your calendars, it will come sooner than you think.

I've secured Back 40 Grill again as our food vendor. They will have some breakfast burritos followed by a variety of items for lunch, as they did last year.

If you know of any vendors that would like to offer drinks, ice crème, cookies, etc. for a desert please let one of the officers know.

We are checking with sponsors and will hopefully know how that's shaping up over the next few weeks.

That's about it for now, please join us at Red Zone Thursday Feb. 1st as we continue to put together the birthday party and car show.

See you then,
John
