## President's Notes

Hello all...

It's almost Labor Day, the unofficial end of summer, so I'm hoping it's a mild fall.

I'll not 'labor' too much on this update, since the club only has one 'official' event for the month.

We will be doing a show and shine at Pollard Ford on September 7<sup>th</sup> from 10am to 2pm. There's a good chance there will be food trucks and Pollard Ford is excited about the show!

Or if you like, we can venture across the street to Buns for lunch. If you want more than a burger, their chicken fried steak and homemade gravy is very good.

This show and shine will have a fund raiser with it. I'm friends with a family in Anton and the mom (of 12 kids, from 7 to 26 years) was in a serious accident a few weeks ago. Her right foot was 'smashed' for lack of a better word and she is a baker for her own home based business. So, Connie and Mitchel Burt (he works for a business at Reese center) have lost a portion of their income, plus medical costs, along with their father-in-law's vehicle. She has had one surgery, night of the wreck and now faces another one in the next week or so.

She's trying to determine how to keep her business alive, The Prairie Mom, but can't be on the foot any more than few minutes at a time. She will likely be off of it for six weeks after the next surgery and six months or more for recovery.

Tommy and I are thinking of buckets for the vehicles, similar to the AIM bank deal, plus her friends are hoping to get all of her customers to come by and donate at Pollard.

I'm not expecting the club money as a donation, but I hope that you can come and consider donating individually.

If you have suggestions, please let me or Tommy know, soon and please try to be there since Pollard is a major sponsor.

The other event for the month will be Meals on Wheels. If you can drive please contact the MOW office. It's a fun event, doesn't take long and you get a Sonic burger, fries, drink and desert.

See you at the meeting on September 5<sup>th</sup> at Red Zone.

John

## Meeting Minutes for August

Vice president Jimmy Godfrey opened the meeting at 7:02 with President John Robison on vacation.

Kevin Miller, the treasurer, reported that there is \$9,435.63 in the club account. The car show in June produced a loss of over \$800. A discussion ensued over making the car show at least break even, since we use the money for charitable causes. Club needs major sponsors to make up for lost sponsors this year.

The car show was discussed with suggestions given to promote the show earlier in the year and use various ways to promote the show. Having more than one type of sponsor, such as a bank or car dealer was also discussed. The need for some changes was presented and tabled until a future meeting.

The next car show was voted on for June 13, 2020.

Celebrate Today netted over \$1000 from our birthday show and shine with the club donating \$500 to them.

Ronnie Brown has some club pics from the early 1990's for viewing.

Dennis gave the MCA report.

New members and visitors were introduced. Lavern Roberts and her two daughters, Mona and Melinda, were present. Among them they own multiple Mustangs. Harry Sumpter and Scott Bateman were present and will add more early model Mustangs to our club stable. Scott drove his 1970 Mach 1 to the club meeting.

Tommy Persons announced the departure for the Stars and Stripes drive in movie for August 2<sup>nd</sup>, and the Fish Fry next Friday night, August 9<sup>th</sup>.

The meeting was adjourned by the very capable vice president who did a great job running the meeting at 7:46pm.

Respectfully submitted,

Gordon Jones, the Falconless one year secretary

1986 Mustang GT restomod. Most of you know this car so I won't go into details. I've decided to look for a new home for it and hope someone in the club might be interested. My rock bottom price is \$6500. Y'all know how much it takes to build one so my loss is your gain.

THE P-51 COLLECTION  
RECWATCHES.COM | TDK@RECWATCHES.COM

The advertisement features a dark, moody background. On the left, a weathered, rusted 1960's Ford Mustang is shown from a front-three-quarter view. On the right, a large, detailed image of a REC watch is displayed. The watch has a round case with a gold-tone bezel and a black leather strap. The dial is heavily distressed and textured, matching the car's appearance. It features a date window at the 6 o'clock position with the number '265143', a small seconds sub-dial at 3 o'clock, and the REC logo at the 9 o'clock position. The watch is positioned as if it's emerging from or resting on the car's surface.
