

MUD SWEAT & GEARS

!!!! ATTENTION ALL CAR ENTHUSIASTS !!!!

*Do you love all things automotive?
Are you a fan of the show Top Gear?
Does the idea of building a car or taking it apart excite you?
When looking at a car do you always think of ways to make it better?*

The Producers of the hit show Top Gear (U.S.) are currently casting an all new competition series that is the ultimate, one of a kind car competition.

We are looking for dynamic teams of two who have what it takes to transform ordinary cars into the most extreme madcap vehicles. The teams and their outrageous car creations will then take on 3 off- the-wall automotive challenges. All you need is a passion for cars, an over the top imagination and a can't-lose competitive streak. You bring the attitude and we'll do the rest.

If interested in applying please send the following info for each person on your team:
